

"**attorney**" Atorn turns verbs into nouns... defend-Ant ("spell" conversion from life to death)
"**citizen**" is a legal fiction or fantasy false hood resting under privilege.
"**Citizen**" is a critter or slave of a State (private) or States as a group (public); a Self Cull from Nature. The language others use may seem ok until: They **CALL** or **CULL** their "self" a Traveler... and go about confusing themselves further.
"**birth**" is a commerce port, dockyard location for a ship or vessel under law of sea or admiralty law.
"**defendants**" Two in the same room are Noose-ants. (a nuisance)
"**history**" / **His-story** is not **my-story** / mystery. Church and State deny us our "my-stery"
"**human**" is NOT a live critter but is a man hued or hewn and what is left is raw or Ra meat with no life.
"**human being**" is a lower form of man with **NO** inherent right(s)
"**person**" is the "son of the purse" or commerce. An entity created for purpose of THE STATE. (artificial persons)
"**sovereign**" is a king or master over other subject slaves. A word from system of state and United States of War for Spoils. **War system fantasy(s)** legal fictions / artificial persons etc.
"**sovereign without subjects**" is **NOT** a sovereign.
"**status**" is a capture word used by State derived of "statutes" derived of statues (think of Medusa and people turned into stone)
"**right**" we must be careful of "certain" RIGHT OR PRIVILEGE (**Privilege**: You rob Peter to pay Paul) or rite (their due process to capture you) and write or co-respond-dance or rite.
"**Social Security**" – The International Mark Of The Beast. Never claim to be a legal fiction if you don't want the **MARK of the Beast** upon you. The SSN is only one method of **Mark of the Beast**.
"**spell**" a set incantation or **say creed** or sacred script... **your script** - scripture... **Go spell** - Gospel.
"Christian soldier goes to war" with worship a.k.a. Warship - 10th century inquisitions and 13th century crusades: **All contrary to "Peace and Love"**

All 50 state constitutions refer to: **Grateful** to ... (not State) **for our liberty and freedom...**

All men are born free...

All political power remains with the people.

Of unique importance: **men = to think**

I, me, my-self are live thinking critters born free with inherent rights in Peace.

When I write I, Ed Ylst, I label me as the label Ed Ylst with no life nor working brain belonging to the dead legal fiction State by any name(s) (nay-me(s))

When I write I and Ed Ylst I remain "**live**" and "**living**".

I make it clear: **I am in Life Truth Peace in Harmony with Love.**

I prefer... to write I for my **letter sequence**.... and ED YLST... and my Signature Seal _____.

At the end or closing I prefer... This matter is closed on day ... by me and my signature Seal _____.

You already are **living** and by **nature born... free... under Nature's Law.**

"I am live and free with **inherent rights**" is stronger **AND** safer than legal sleaze.

Simply sign and record a piece of paper into your local county Records Office (\$16) requesting a Certified Copy (\$6) showing others How... who... where... when... you are.

- a) Show others in writing **How... who... where... when** you are.
- b) Highlight the embossed seal with graphite and make copies.
- c) Show copies to others as needed - Show Certified copy as needed.
- d) **KEEP** exact record of who when and where you give copies.

Those who ignore your recorded public paper-work can end up in serious do-doo.

(full faith and credit shall be given the public records and courts of record in every state by every state)
