

Using the info below ENABLES us, EACH & ALL to DEPORT WAR and WAR critters from our Peaceful door

The BLM, a "false corpse" part of "the CORPORATION",
mis-labels "the Land" as
"YOUR PUBLIC LANDS" or "Federal Land"

IF you accept this false presumption, then you will be asking BLM permission to use
"the land" and "the things on it"

IF you accept and Sign and Record,
"I live and work on Land in Peace,
in **County** in Peace
in **State** in Peace
in America in Peace"

THEN you are on Land in Peace,
in **County** in Peace
in **State** in Peace
in America in Peace.

All The Treaties SAY SO and ALL The Constitutions SAY SO: see Treaty(s) of Peace and
see Treaty(s) of Peace & Friendship

ALSO ARTICLE IV Section 4 US CONST... READS SO
ARTICLE 1, SEC 8 Clause 17... READS SO
Amendment X and Amendment IX... READS SO
(Article the 10th & 9th)

What part of 1776 Declaration that... READS:
"Government by consent of the governed" is not KNOWABLE?

All Fifty State Constitutions stipulate:
We are born free and **ALL** political power is inherent in the people.

THE BLM works on one PREMISE, "the Land **use** is **abandoned**"
THE MOMENT I Declare and RECORD:
"This Land I use is Land in Peace and I use this Land in Peace."
THEN IT IS SO.

YES, it is so simple, people do not do it. WHY?

Even FLPMA, Federal Land Policy Management
