

Liberty in Peace Doc 2015-01-12

Ed Ylst – wefreepeople.org

I am deeply grateful to all who help others stand free from abuse and deceit.

Many do not know the absolute power of their **signature** when they use a
Signature Seal and Record documents that 'speak' for them.

The words: I, me, my self hold STRONG for a 'LIVE' position unlike a **no-life fiction** such as a
defend-Ant subject to a **War-rant**.

Their so-called Admiralty/Maritime is deceptively labeled STATUTORY or no-life STATUE or
fantasy statue imported from England / CROWN / BRITANNIC / ROME a.k.a. slave/serf states.

When I look at all 50 State Constitutions, I see I am born free with inherent right and
all political power is inherent in people. **I now use:**
